Let Streams of Living Justice

- 1) Let streams of living justice
flow down upon the earth.
Give freedom's light to captives;
let all the poor have worth.
The hungry's hands are pleading;
the workers claim their rights,
The mourners long for laughter,
the blinded seek for sight.
Make liberty a beacon,
strike down the iron power.
Abolish ancient vengeance.
Proclaim your people's hour.
- 2) The dreaded disappearance
of family and friend,

The torture and the silence –
the fear that knows no end.
The mother with her candle,
the child who holds a gun,
The old one nursing hatred –
all seek release to come.
Each candle burns for freedom,
each light's a tyrant's fall.
Each flower placed for martyrs
gives tongue to silenced call.

- 3) Your city's built for music:
we are the stones you seek.
Your harmony is language.
We are the words you speak.
Our faith we find in service,
our hope in other's dreams.
Our love in hand of neighbour.
Our homeland brightly gleams.
Inscribe our hearts with justice,
your way - the path untried:
Your truth - the heart of stranger,
your life - the Crucified.
